Dear Sir:

In response to the office action, mailed 10/05/2005, Applicant makes the following provisional election and has amended the foregoing application as follows and requests the examiner's reconsideration and passage of the application to allowance.

Applicant provisionally elects to proceed with the invention drawn to the connector and claimed at claims 1-6, 11-12 and 17-23. Applicant has also amended the claims as indicated below to comply with the election.

The amended claims are believed readable on the elected invention. Applicant's provisional election is made without prejudice to applicant's later filing of divisional or continuation applications to the elected and/or unelected inventions/species.

Enclosed also find a self-addressed return post card.
